The Scope & Sequence lays out courses by school year. If you prefer to organize high school courses by subject, this is the form for you.

Instructions

- 1. Start with courses required by your state for high school graduation.
- 2. Add courses required by your desired post-secondary institution.
- 3. Add core courses you choose (for example, Theology).
- 4. Add elective choices.
- 5. Check off courses as completed.
