Find a list of Homeschool Connections courses that are eligible for college credit by searching our live courses for “college credit” at <https://caravel.homeschoolconnections.com/catalog/>

Student requirements:

- Enroll in an eligible Homeschool Connections course at <https://caravel.homeschoolconnections.com/catalog>
- The cost is \$100 per credit hour, in addition to normal Homeschool Connections fees paid at registration. Most courses are 3 credit hours for the two semesters. Students must register for both Fall and Spring semesters.
- Must be a high school junior or senior.
- We recommend having at least a 2.4 cumulative GPA for the best chance of success.
- Homeschool Connections students will register for a college credit course (both semesters) through the Homeschool Connections course registration platform. Parents will receive an electronic enrollment form from HSC for the college credit option. Student information will be passed through to Benedictine College.
- There are two payments made: one to HSC for the course, made at the time of registration and subject to the HSC refund policy; and another payment of \$300 to BC (collected by HSC) and subject to the BC refund policy.
- Homeschool Connections will collect all registration information and submit the information to bcregistrar@benedictine.edu.

College Credit withdrawal and refund policy

- The student may attend two classes and be eligible for a full refund from Benedictine College. Students are no longer eligible for a refund after the third class begins. (Please see the Parent Handbook for the HSC refund policy, which is separate from the BC policy.)
- Written notification to Homeschool Connections is required for withdrawal from the Benedictine program.
- Students earning below a C- will not receive credit for the Advanced College Credit course from Benedictine College. The Benedictine College transcript will list “No Credit.”

Student benefits:

- An official Benedictine transcript for the course will be accessible through GetMyTranscript.com with the BC student ID received from the HSC instructor.
- Increase confidence by gaining experience managing college level courses.
- High school juniors and seniors can get a jump start on their college degree.
- Take advantage of a reduced per-credit-hour cost for college credits. There is a \$100 per credit hour fee in addition to the Homeschool Connections fee.
